Hi Valois,

Thank you SO MUCH for this. It is neither too much or more than was necessary. It is a nice compilation of current activities and it will allow either Alfreda or me to provide some responses during the ROC. I might also request you be available by phone to answer any questions from the attendees that day. It should require no more than 20-30 minutes.

I'll send you an agenda with times once it is finalized.

Sam

Hi Sam,
I probably included more than you needed. If there is something else that would be helpful to include, please let me know.
